

Network Media Player

The Odyssey ODS-302w network media player delivers reliable and stunning 1080p multimedia playback on large format displays and digital signage solutions. With built-in wireless and RJ45 connectivity, along with bundled Signage Manager Software, the ODS-302w allows customized multimedia content to be easily produced, scheduled, and loaded to displays from PCs or notebooks.

Integrated 8GB on-board memory, as well as dual USB and micro SD card slots, provide direct playback of high-definition content.. An embedded "fail-safe" function allows the connected display to continue playback of pre-assigned multimedia content even when the media player is not working. The ODS-302w provides a reliable messaging solution for retail, hospitality, point-of-sale advertising, and education environments.

CORE	CPU : ARM
MEMORY	Type : NAND Flash Capacity : 8G
MEMORY	Type : NAND Flash Capacity : 8GB
SOFTWARE	Operating System : Embedded Linux
INPUT	SD/SDHC : x1
OUTPUT	HDMI : HDMI 1.4 x 1
LAN	RJ45 : x1
WIRELESS	802.11 b,g,n
USB	Type A : x2 Micro USB : x1, (for F/W troubleshooting)
SUPPORT MEDIA FORMAT	MPEG, JPEG, PNG, MP3 audio
BUNDLE SOFTWARE	Signage Manager
POWER	Voltage : DC 5V 2A Consumption : 6W
